Balani Group

SERVING LIBRARIES SINCE 1987

eBooks | eJournals | Databases | Web Tools | Music Education

LETS GET STARTED

ABOUT US

Balani Group was established in the year 1987 with a futuristic objective to become a value-based, a technology-enabled organization facilitating the most qualitative learning content in India and the neighboring countries.

Today, we stand as the most preferred, go-to vendor for all publishers, academic institutions, corporates, and research organizations.

Kailash Balani - Managing Director

We take this opportunity to thank our valued clients and publishing partners.

Sententia Learning Academy

Sententia's Adaptive learning offers users the advantage of self asessment and grading. It also identifies and suggests the topics on which the users need to focus. This helps the users to get to know their areas of strength and improvement. Based on this, users can select the topic of their interest, create a learning plan and use the various graded learning aids in the Sententia Learning Academy and go ahead and have a great, fun filled learning experience.

Your Personalized Learning

Based on the analysis of your documents, Sententia recommends you to focus on the following topics:

- Punctuation
- Subject Verb Agreement
- Nouns and Pronouns
- Sentence Beginning and Ending
- Slang and Concision

Sententia presents you with a comprehensive array of English grammar topics to help you perfect your language skills. You can create your own learning plan by selecting topics of your choice for a deeper understanding.
