»The NDLTD Leadership Award 2017 was conferred to Shodhganga Team leaders during August 7 - 9, 2017 at Washington, DC. The Award is instituted by the Networked Digital Library of Theses and Dissertations (NDLTD) since 2004. [More Details](#)

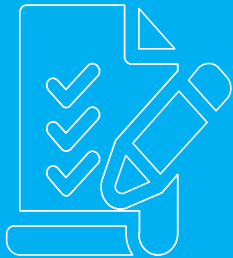

The background image shows a close-up of a workspace. In the foreground, a laptop keyboard is visible. Behind it, several sheets of paper are spread out on a wooden desk. One person's hand is holding a red pen, writing on a document. Another person's hand is holding a yellow and red pen, also writing. The scene is brightly lit, suggesting an office or collaborative workspace.

Subject: Uploading of full text Ph.D theses in Shodhganga, a repository of full text theses and dissertations –reg

Sir,

Ranking of Higher Education Institutions is done annually by National Board of Accreditation (NBA) using National Institutional Ranking Framework (NIRF). Number of Ph.D students graduated is one the sub-parameters used for ranking of HEIs under “Graduation Outcomes” of the NIRF.

2. Shodhganga is a repository of full text theses and dissertations. If the institutions get the full text Ph.D theses of their students uploaded on Shodhganga, then it can be used for deriving authentic data on number of Ph.D. students graduated. It will also help in making a formidable resource of research conducted in India. The online availability of electronic theses through centrally maintained digital repositories will not only ensure easy access and archiving of Indian doctoral theses but would also help in raising the quality of research. UGC has also mandated submission of Ph.D. theses on Shodhganga through UGC (Minimum Standards & Procedure for Award of M.Phil/Ph.D Degree), Regulation, 2018.

3. In view of the above, it has been decided that number of Ph.D. students graduated during 2019, 2020 and 2021 will be used for ranking 2023.

The ranking activity for India rankings 2023 (NIRF) has already started and registration process has been completed successfully. The Data Capturing System (DCS) will open on 28th November 2022 for submission of data.

2. It was decided by the Implementation Core Committee of India Rankings to source data on number of PhD students graduated for **Academic Year 2021 - 2022** from Shodhganga, a repository of PhD theses, hosted and maintained by the INFLIBNET Centre, for India Rankings 2023. The data for the previous two years, i.e. 2019-2020 and 2020-2021 will be pre-populated in the DCS from respective years' submission of HEIs. As such, all HEIs, including CFTIs, are advised to join this initiative immediately and submit their full-text theses into Shodhganga. Not doing so may adversely affect the rankings of your institution/ university.

3. You are earnestly requested to join Shodhganga initiative and upload full-text theses on this portal by using <https://shodhganga.inflibnet.ac.in/>—as it will facilitate as it will facilitate capturing the number of PhDs awarded for the academic year 2021 - 2022. Please contact Shodhganga team at 079-23268220/32 or Email: shodhganga@inflibnet.ac.in / manoj@inflibnet.ac.in in

The background of the entire slide is a photograph of five Edison-style light bulbs hanging from thin black cords against a dark, vertically-ribbed wall. The bulbs are arranged in a slightly staggered horizontal line. The first four bulbs from the left are illuminated, casting a warm, yellowish glow. The fifth bulb on the far right is not illuminated and appears dark. A dark blue rectangular box is positioned in the lower right area of the image, containing the text '08' and 'THE QUINTUPLE OF SHODH' in white.
